You're welcome. I saw somewhere in our notes that you prefer e-mail so that's the way I'll send you any documents that we file – I don't like to put your e-mail address on the mailing page due for privacy reasons. You can also e-mail any docs that you file directly to me or Monica, or litigation@bursey.org. Thank you.

Ms. Scalese,

I included my request to continue the trial hearing with my Motion for Leave to Amend ... "AND REQUEST FOR CONTINUANCE OF TRIAL HEARING." I don't think 30 - 60 days is enough time as I have more discovery to conduct and I am not happy with the lack of responses to my previous discovery requests.

You might want to call the court to find out whether the judge already continued the trial hearing, my motions were delivered to the court on Monday.

Ms. Baker,

Yesterday we received your Response in Opposition to Motion to Dismiss Counterclaim, Motion for Leave to Amend Answer and Counterclaim. We have a trial coming up on November 26, 2012. We believe it would be mutually beneficial for the parties to continue the Trial to allow additional time to prepare, especially with the upcoming holiday. Will you agree to a 30-60 day continuance? If so, do we have your permission to sign a Stipulation to Continue and file it with the Court as soon as possible. Please contact me at your earliest convenience to advise. Thank you.
